2. The Rajasthan State Wetlands Authority will exercise the following powers and perform the following functions, namely:-

- (a) prepare a list of all wetlands of the State;
- (b) prepare a list of wetlands to be notified, taking into cognizance any existing list of wetlands prepared/notified under other relevant State Acts;
- (c) recommend identified wetlands, based on their Brief Documents, for regulation under these rules;
- (d) prepare a comprehensive digital inventory of all wetlands and upload the same on a dedicated web portal to be developed by the Central Government for the said purpose; the inventory to be updated every ten years;
- (e) develop a comprehensive list of activities to be regulated and permitted within the notified wetlands and their zone of influence;
- (f) recommend additions, if any, to the list of prohibited activities for specific wetlands;
- (g) define strategies for conservation and wise use of wetlands within their jurisdiction; wise use being a principle for managing these ecosystems which incorporates sustainable uses;
- (h) review integrated management plan for each of the notified wetlands (including trans-boundary wetlands in coordination with Central Government), and within these plans consider continuation and support to traditional uses of wetlands which are harmonized with ecological character;
- (i) in cases wherein lands within boundary of notified wetlands or wetlands complex have private tenancy rights, recommend mechanisms for maintenance of ecological character through promotional activities;
- (j) identify mechanisms for convergence of implementation of the management plan with the existing State/Union Territory level development plans and programmes;
- (k) ensure enforcement of these rules and other relevant Acts, rules and regulations and on half-yearly basis (June and December of each calendar year) inform the State Government on the status of such notified wetlands through a reporting mechanism;
- (l) coordinate implementation of integrated management plans based on wise use principle through various line departments and other concerned agencies;
- (m) function as nodal authority for all wetland specific authorities within the State;
- (n) issue necessary directions for conservation and sustainable management of wetlands to the respective implementing agencies;
- (o) undertake measures for enhancing awareness within stakeholders and local communities on values and functions of wetlands; and
- (p) Advise on any other matter suo-motu, or as referred by the State Government/Union Territory Administration.

3. The Department of Environment and Climate Change will act as nodal Department and Secretariat to the Authority.

4. The term of non-official members of the Authority nominated by State Government will be for a period not exceeding three years.
5. The Authority is permanent in nature and will meet at least thrice in a year.

This notification shall come into force immediately.

By Order of the Governor,

Monali Sen,

Special Secretary to Government,

Department of Environment and Climate Change.
